### Pirate Booty Event Cache

Date and Time: Saturday, June 14 1:00 pm - 4:00 pm

Address: 2249 Loop Rd Wilberforce

Back in 1825 legend has it that the Pusey Lake Pirates pillaged and plundered from one end to the other of Pusey Lake (renamed Dark Lake) amassing gold and riches from the local inhabitants.

Forward to 2025; documents, in a recently discovered, leather bound pirate's chest refer to multiple locations of hidden booty.

The dilemma; DNA testing reveals that, while 85% of the town residents have pirate blood coursing through their veins, none of the cut-throat mentality and very few navigational skills were passed down through the generations. In other words, they couldn't find a pickle in a pickle jar.

You, on the other hand, a well honed geocacher could easily find the Pusey Lake pirate's hidden booty.

So, if you can trace your genealogy to the Pusey Lake Pirates... simply suspect you may be a descendant... or just wanna' be related, sign up for the search.

Aye, it be a **treasure hunt**, and what Geocacher can resist hunting for treasure. Get ye to the Lloyd Watson Community Centre by 1:00 Saturday June 14th **and bring a carrot or a potato**. \$5.00 per team. Show your pirate sprite and come in full pirate attire.
